*STARRED QUESTIONS*

(To which oral answers were given)

\* *Construction of Hospital Building at Basavakalyan*

24. SRI BAPU RAO ANANDA RAO (Basavakalyan)—

Will the Minister for Health be pleased to state:—

(a) whether the Government has received any proposal and representation to construct the new hospital building near existing hospital building at Basavakalyan, District Bidar:

(b) if so, the action taken to construct the hospital building?

SRI H. SIDDAVEERAPPA :—(Minister for Health)

(a) Yes.

(b) Construction will be taken up as soon as a suitable site is secured and local contributions are received.

SRI BAPU RAO ANANDA RAO :— Whether it is a fact that the TDB has already paid its contribution towards the construction of a Hospital building?

\*SRI H. SIDDAVEERAPPA :— The TDB has contributed Rs. 57,500; but the Municipality has not contributed. The two sites which were selected were found to be unfit. Now the Deputy Commissioner has been asked to acquire 3 acres of land in S. No. 159 of Basavakalyan which is said to be suitable for the purpose. After that is done further steps will be taken.

SRI BAPU RAO ANANDA RAO :— Will you expedite the construction after securing the new sites since the case is pending for the last 5 years?

SRI H. SIDDAVEERAPPA :— When I went there sometime ago there was that representation. The site that was selected near the village, the Archaeological Department of the Government of India have now objected. Therefore we will select the site as early as possible and instructions are already issued to that effect. As soon as the site is selected, steps will be taken.

SRI BAPU GOWDA :— May I know whether the Government will take up construction despite the contribution not being paid by the Municipality?

SRI H. SIDDAVEERAPPA :— We will have to examine whether even if they do not contribute, we request them to contribute.

SRI BAPU RAO ANANDA RAO :— Taking into consideration the financial aspect of the Municipality (the Basavakalyan Municipality is not in a position to contribute), will the Government take up construction?

SRI H. SIDDAVEERAPPA :— That I will examine. If they are so bad, I will waive it.
